BEFORE THE BOARD OF PERSONNEL APPEALS

IN THE MATTER OF UNFAIR LABOR PRACTICE CHARGE NO. 6-97:

BROWNING FEDERATION OF
TEACHERS, LOCAL NO. 2447,

Complainant,

vs.

BROWNING PUBLIC SCHOOLS,
ROGER HELMER, SUPERINTENDENT,

Defendant.

FINDINGS OF FACT;
CONCLUSIONS OF LAW;
AND RECOMMENDED ORDER

* * * * *

I. INTRODUCTION

On September 13, 1996, Browning Federation of Teachers, Local No. 2447, Complainant, filed an Unfair Labor Practice Charge (ULP) against Defendant, Browning Public Schools, Roger Helmer, Superintendent. The charge indicated the Defendant infringed upon the rights of Complainant Unit Employees to bargain collectively concerning wages, hours and working conditions guaranteed under Section 39-31-201, MCA, and Section 39-31-305, MCA. The Complainant also charged the Defendant with violating Section 39-31-401(1) and (5), MCA, by refusing to bargain with the Complainant's exclusive bargaining representative regarding drug and alcohol testing.

Following an investigation, the Employment Relations Division issued an Investigation Report and Determination on November 21, 1996 which found probable merit to the charge. Hearing Officer Joe Maronick conducted a hearing in Browning, Montana on May 16, 1997. Parties and witnesses included: Roger Helmer, Sharon Magee, Ivan Small, Larry Singleton, Darwin Peakes, Barbara Gallup and Kristen

1 St. Goddard. Montana Federation of Teachers Staff Director Tom
2 Burgess represented the Complainant. Montana School Board
3 Association Director of Labor Relations Rick D'Hooge represented
4 the Defendant. Complainant Exhibits VE-1 through VE-6, and VE-10
5 were admitted into the record without objection. Complainant
6 Exhibit VE-7 was denied admission on the basis that the document
7 postdated the ULP charges. Exhibits VE-8 and VE-9 were admitted
8 over objection raised regarding their completeness or the date of
9 their generation. The admission basis was that the author of the
10 documents would testify and the charge violations may be
11 continuing. Exhibits VE-11 through VE-14 were admitted over an
12 objection relating to the timeliness of their submission. The
13 Hearing Officer took Administrative Notice of the charge response,
14 the investigation report, Defendant Exhibits A through J as well
15 as all process and notice documents. Exhibit J was admitted over
16 a submission timeliness objection raised by the Complainant.

17 Post-hearing briefs were concurrently submitted on June 23,
18 1997 and reply briefs concurrently submitted June 30, 1997.

19 II. FINDINGS OF FACT

20 1. In the spring of 1996, the Complainant and Defendant
21 exchanged discussions and correspondence regarding a drug testing
22 policy (See Exhibit A-F). The Defendant did not require members of
23 the Complainant union to take drug tests. On April 10, 1996
24 (Exhibit A), the Complainant requested drug policy negotiations.
25 On April 24, 1996 and May 30, 1996, the parties met, in part,
26 regarding the drug testing policy (See Exhibits B & C). On
27 August 23, 1996, the parties met and discussed the drug testing
28 matter. The Defendant Superintendent, Mr. Helmer, asked the

1 Complainant Representative, Mr. Feakes, to identify 10 dates for
2 negotiations regarding the drug testing policy and provide those
3 dates for him. Complainant did not offer negotiation dates as
4 requested. On September 11, 1996, the Complainant filed this
5 charge alleging the Defendant unilaterally implemented the drug
6 testing policy without required and requested negotiation.

7 2. The Defendant did not implement a drug testing policy for
8 the Complainant unit members. The Defendant has not required any
9 Complainant unit members to take a drug test.

10 3. Before the beginning of the 1996-97 school year, the
11 Defendant Superintendent advised the Complainant members that they
12 must sign in when they arrive at work, sign in and out if they left
13 during the work day and sign out when they completed work at the
14 end of the day. In previous years, the Defendant had required the
15 Complainant unit members to sign in and out only if they left the
16 school premises during the middle of the work day. The work day
17 was normally from 8:00 a.m. to 4:00 p.m.

18 4. The Collective Bargaining Agreement Article IV (Exhibit
19 VE-3) provides, in part:

20 Powers of the Board -- Policy and Operation

21 A. All existing policies and procedures which heretofore
22 have been in force and effect as clearly established
23 policy outlined in "Adopted Board Policies", School
24 District No. 9, Glacier County, Browning, Montana, shall
remain in full force and effect unless expressly modified
or rescinded by the Board of Trustees.

25 As pointed out in the October 9, 1996 response to the ULP charge,
26 the policies manual that has been in existence for many years in
27 Browning indicates:
28

1 VI. Personnel:

2 Check-In/Check-Out: Each district office will maintain a
3 roster for classified employees to sign in and out of the
4 department. All arriving and leaving times are to be
5 recorded. All certified staff will sign in and out when
6 leaving the building/department between 8:00 a.m. and
7 4:00 p.m.

8 The school district has operated under this policy. However,
9 teachers have been required to sign in and out only during day time
10 absences, not at the beginning and end of their shifts.

11 Article IV(J) of the CBA, provides:

12 J. Teachers are to be on duty from 8:00 a.m. to 4:00 p.m.,
13 except when otherwise assigned.

14 5. The ULP Charge (Exhibit VE-1) in count number 2 indicated
15 that the Defendant "installed time clocks" and that the
16 installation constituted a violation of Section 39-31-305, MCA, and
17 39-31-401(1)(5) MCA, because the use of time clocks changed the
18 terms and conditions of employment. The Defendant intended to
19 install time clocks but had not done so prior to the filing of the
20 charge or charge hearing.

21 III. DISCUSSION

22 1. Montana law requires a public employer to bargain
23 collectively in good faith with the exclusive bargaining
24 representative of a group of employees who have associated with a
25 labor union. §39-31-305(1), MCA. The obligation to bargain in
26 good faith extends to the issues of wages, hours, fringe benefits
27 and other conditions of employment. The charge maintains that the
28 Defendant committed an unfair labor practice by refusing to bargain
concerning the implementation of a drug testing policy and the
installation of time clocks.

1 2. The Montana Supreme Court has approved the practice of
2 the Board of Personnel Appeals in using federal court and NLRB
3 precedence as guidelines in interpreting the Public Employees'
4 Collective Bargaining Act (the Act) as the state Act is so similar
5 to the federal Labor Management Relations Act (LMRA). State
6 Department of Highways v. Public Employees Kraft Council, 165 Mont.
7 349, 529 P.2d 785 (1974), 87 LRRM 2101; AFSCME Local 2390 v. City
8 of Billings, 171 Mont. 20, 555 P.2d 507, 93 LRRM 2753 (1976); State
9 ex rel Board of Personnel Appeals v. District Court, 193 Mont. 223,
10 598 P.2d 1117, 103 LRRM 2297 (1979); Teamsters Local 45 v. State ex
11 rel Board of Personnel Appeals, 195 Mont. 272, 693 P.2d 1310, 110
12 LRRM 2012 (1981); City of Great Falls v. Young (Young III), 221
13 Mont. 13, 683 P.2d 185, 119 LRRM 2682 (1984).

14 3. The standard adopted by the NLRB for determining whether
15 a change in the conditions of employment must be negotiated is
16 whether the change is "material, substantial and significant."
17 Litton Microwave Cooking Products, 136 LRRM 1163 (1990); Kabash
18 Magnetics, Inc., 88 LRRM 1511 (1974); Murphy Diesel Company, 76
19 LRRM 1469 (1970).

20 4. The Defendant did not implement a drug testing policy
21 which required testing of any Complainant unit members. The
22 application of a policy to the unit members was properly identified
23 as a matter for negotiation. The actions of the Defendant
24 evidenced a willingness to negotiate and did not approach the
25 threshold of refusing to bargain in good faith. The Defendant
26 asked the Complainant for times at which negotiations could proceed
27 but the Complainant did not identify dates. The Defendant did not
28

1 implement a drug testing policy or actual tests affecting any unit
2 members.

3 5. The collective bargaining agreement incorporated by
4 reference the Defendant's policies manual which contained a policy
5 on checking in and out. Thus the requirement to sign in and out
6 not only during periods within the work day but at the beginning
7 and end of the work day was a specifically included term in the
8 collective bargaining agreement. Even if it had not been included,
9 the change which occurred was not a "material, substantial, and a
10 significant change" from prior practice. The Complainant unit
11 members had been required to sign in and out during absences which
12 occurred during the middle of the day. The only addition was the
13 signing in and out when the unit members first arrived at work and
14 when they finally left the work site. The unit members were
15 required to report to work and in fact work their normal work
16 shift. That requirement did not change. The change requiring
17 unit members to sign in and out when starting and ending their work
18 day is not a substantial or significant and is in conformity with
19 the terms of the collective bargaining agreement.

20 IV. CONCLUSIONS OF LAW

21 1. The Board of Personnel Appeals has jurisdiction over this
22 matter pursuant to §39-21-406, MCA.

23 2. The Defendant did not refuse to bargain in good faith
24 with the Complainant. The Defendant did not adopt a drug testing
25 policy and indicated a willingness to bargain over the terms of a
26 policy.

1 3. The Defendant was not required to bargain with the
2 Complainant over requiring unit members to begin checking in and
3 out. This change is not material, substantial and significant.
